Anglers Feeding America

5/17/2011 - Lou Consoli is heading back down to Alabama at the end of the week to distribute more food and supplies to the victims who have been devastated by the recent tornados. We will also be helping the folks in the surrounding states as well as the people who are being affected by the flooding from the Mississippi, according to Lou.

Hatfield Quality Meats of Hatfield, PA has donated \$2,000 to our organization as well as 50,000 hotdogs to help feed people in the south. We have purchased an additional 10,000 bottles of water from **Redners Grocery in Reading, PA** who gave us a wonderful discount on the water. **Burriss Logistics of Milford, DE** has donated a driver and a 53 ft. refrigerated tractor trailer to deliver the hotdogs and water to the south. The truck will be leaving on Thursday morning. Don McDowell of Shake, Rattle & Troll radio in Arizona has raised over \$1,000 himself and has been a tremendous support to our organization.”

Please go to:

Thank you for your support!

TAKING CARE OF OUR CUSTOMERS

We have just finished our 2011 financial year. So much has transpired over the last 12 months, both great success and failure or, as I like to call them, learning opportunities!!! Most deeply felt by many of us was the passing of my Father 9 months ago. While that has left a very large hole both personally and within the company, we continue to move ahead with great optimism. We have much to be thankful for, many great Team Members and many opportunities waiting to be won!

*I was at a new store opening for one of our customers last week and I had the chance to meet their head of store operations. He immediately began speaking of how long he had been with this company and how he had seen many vendors and service providers come and go and that, without question, BURRIS was the finest service provider that they had ever dealt with. He spoke of how our Team Members jumped in and did whatever was required to take care of his business. He genuinely felt that his interests had become BURRIS' interests!!! That is exactly what we are looking for. **This customer was experiencing WOW Service from "I AM BURRIS" Team Members who were MAKING IT HAPPEN and GETTING IT RIGHT for this customer...thank you!***

We have started rolling out our HPWP (High Performance Work Place) workshops at several locations which will help us all grow as a team and do a better job of communicating, understanding each other and working better together as one group. It will help strengthen the Burriss Culture at all facilities. I truly want BURRIS to be a great place to work and a great experience for our customers. I want to commend our New Castle facility specifically on their recent decision to decertify (vote out) the Union. Not only will this result in better, open door communications within the facility, it also makes New Castle more attractive to potential customers who may be concerned about the risks associated with collective bargaining, such as work stoppages and service interruptions. We are proud of our culture of open communications with our Team Members and an open door policy.

As we start a new fiscal year, please be safe out there and know that your efforts are appreciated!

Sincerely,

Donnie Burriss, CEO

“Make It Happen” (Our discipline), “Get It Right” (Our focus), and develop “I AM Burriss” (Our commitment)!

Blue Essentials for Health

BURRIS LOGISTICS AND YOU--WORKING OUR WAY TOWARD BETTER HEALTH

Burriss Logistics knew that to have the best possible workforce, those team members would need to be healthy, feeling well and encouraged to take steps to make that happen. Burriss put programs in place that would encourage better health by helping us be more aware of our “numbers.” Our Healthways Program does just that. By logging onto <https://blueessentialsforhealth.embrace.healthways.com> team members participating in Blue Cross Blue Shield of Delaware, as of January 1, 2011 who have been with Burriss six months or more at January 1, 2011, are eligible to take part in the Blue Essentials Wellness Portal. This portal is available 24/7 all year for us to log in and take advantage of the wealth of health information that is at our fingertips. The portal offers encouragement, cooking tips, menus, and ideas to make stressful situations a little easier to handle. It definitely makes the moments you spend in the site worth your while.

It's officially Spring and this brings our Healthways Biometric Screenings to our locations. Many of our facilities are now completed and anxiously awaiting their results. We have some locations that will be holding their testing in the very near future. Our goal is to see our number of participants increase. In 2009 we had approximately 325 participants Corporate wide. 2010 brought over 1000 participants, which was phenomenal. 2011 promises to raise the numbers of team members willing to take time for themselves to “know their numbers” and be proactive about them. Please be sure to complete your Well Being Assessment in order to qualify for the great incentives offered.

Please have your spouse complete their Well Being Assessment (WBA) if they are covered under your policy. Without their participation, you will not be eligible for incentives which will be awarded in early July 2011. Failure to complete your WBA (and your spouse's, if applicable) will result in a \$10.00 per week increase in your BCBS premium in July, 2011.

THE HEALTHY REWARD INCENTIVES ARE:

\$100.00 IF YOU TEST NEGATIVE FOR NICOTINE-Or have physician's statement that you are under their care in a smoking cessation program.
\$100.00 IF YOUR CHOLESTEROL IS UNDER 200-Or you are under physician supervised care for high cholesterol-physician's note required.
\$100.00 IF YOUR BMI (Body Mass Index) is 30 or under, or if you have reduced your number by 10% since our 2010 testing!

Burriss locations are encouraged to have various programs throughout the year such as: Lunch & Learns focusing on different health topics each month, Walking Programs & Weight Loss Programs to encourage our team members to support each other as a team while losing that extra weight that may need to go. Burriss offers \$500.00 to the male and female team member losing the largest percentage of body weight—twice a year. That is a great reward!! Get going...It's not too late to get started!!

Today's economy is a challenge. Taking good care of you and your family's health is one of the best ways to beat health care costs. Keeping healthier helps Burriss continue to give us super coverage at extremely reasonable rates. As team members, we are fortunate to have such extraordinary health benefits. All of us are aware that at other workplaces the cost for benefits is high and not nearly the quality of ours. Let's work together (which is what we do best, right?) to make our facilities models of ...Health, Safety is #1 environments!

Looking forward to another year of living healthier...

HARRINGTON

CONGRATULATIONS TO JIM SMITH on his retirement. Jim is shown receiving a service award from John Bunting, Harrington Transportation Manager and Larry Passwaters, General Manager of the Harrington facility.

Jim came to us 25 years ago after living and working in New England. He met with Howard Burriss one fateful day while making a delivery to the Harrington facility. They arranged a meeting a short time later and the rest is history. Jim was a professional driver in every sense of the word. He always did his best and his customers and his company reaped the benefits. He will be sorely missed. But we will make sure we stay in touch through driver meetings and other company events.

Thank you Jim for 25 awesome years. God bless you and your family as you begin what we pray will be a long, happy and healthy retirement.

Elkton HOSTED THEIR FOURTH ANNUAL BRING YOUR CHILD TO WORK DAY EVENT ON APRIL 26TH.

We had 20 young guests between the ages of 8 to 12 who enjoyed learning all about our Burris site and the day-to-day operations of our company. These future Burris employees began the day at 8:00 a.m. sharp building pallets with the help of our dynamic warehouse management team of Ken Wayts and Steve Cunrod. The pallets were judged by our warehouse selector Walt Harris for safety and best stacking. Of course, all of our entry level guests did a great job.

Our young team was also exposed to the refrigerated and freezer sections of our warehouse by Candance Welch who has been a BYCTWD host for many years. Candy provides an enlightening tour of the ice cream area where our kids were excited to see how many different brands of the good stuff we take such great care of for our customer. What would a tour of the ice cream aisle be like without being able to taste the ice cream? Candy made sure our guests were provided with as many samples as they wanted.

We always offer the cherry pick rides to our kids each year and we have discovered that this one particular exercise is the highlight of the entire day. With safety harnesses on and a team of experienced supervisors monitoring, each child gets to see what it is like to be lifted fifty feet in the air. In addition to soaring, each child was also given the opportunity to ride "shotgun" in a tractor trailer around the parking lot by Andrew Evans of our Transportation Department.

Can't wait to see our gang again next year!

Haines City WELCOMES

Cavendish Farms is a fresh produce company that services all of Canada and the US Eastern Seaboard. They began storing french fries at the Haines City facility in January and they service all of the Wendy's locations throughout Florida.

TELEPHONE NOTES:

Submitted by Barbara Smith, Milford

We all are busy (what a blessing, right?)

In addition to your “day job” did you realize how important that phone on your desk is to Burris?

- When you answer your desk phone do you stop for a second and put your smile on? (Bob Burris' favorite)
- Do you take that extra moment to make the caller feel welcome?
- When you have the opportunity to forward a call to another Burris Team Member, do you dial them through—not just give them the number to call that person back?

These simple steps can make all the difference to a caller. It gives them a positive impression of us as a team. Our impression makes a big difference. It can actually influence a customer, or prospective

customer's view of Burris Logistics. We already have a good reputation for our telephone etiquette; let's let that shine even more!! There's nothing better than hearing a friendly, welcoming voice when you answer!

LYNDHURST CELEBRATES

CONGRATULATIONS ON A JOB WELL DONE!

We are fortunate to celebrate our successful passing of the Nestle Audit, our warehouse shift change, and the Nestle Hurdle results.

I look forward to many more successes that we get to celebrate.

I appreciate all of your hard work, effort, and commitment.

Respectfully,
Mike

THE BURRIS SOFTBALL TEAM WON FIRST PLACE IN 2010.

Front row (L-R): John Johnson, Heather Hanlon, Jessie Patterson, Allen Amdor, Doug McGrath, Megan McGrath and Jenny.

Back row (L-R): Brandon Whitesell, Tony Harris, David Strawderman, Jan McGrath, Shaun Cook, Timmy Craig, and Eric Lang.

Congratulations to the TEAM!

It was a very busy day for the warehouse right before Christmas. But everyone took time to have their picture taken with Ms. Claus, when she dropped by the warehouse to bring some cheer to everyone who was working so hard to “WOW” our customers.

BURRIS IT WELCOMES ERIN CALVERT

We're excited to have Erin Calvert join our team, effective May 3, 2011, as EDI Coordinator!

Erin started working at Burris in May 2005 and has held positions that will aid in her new responsibilities. Erin was most recently the Assistant Office Manager in our New Castle, DE location. When not busy at work, Erin enjoys time with her husband and two children.

Please join us in welcoming Erin.

Orlando's Team Member of the Month

Congratulations to our Team Members of the Month and HUGE thank you for "Making It Happen!"

WELCOME TO THE BURRIS ORLANDO FAMILY

We are excited to introduce and welcome two new supervisors to our team, (L) Julian Davis and (R) Maurice Wallace. We're glad that you are a part of our Burris Orlando family.

CONGRATULATIONS to Tim Duncan on his recent promotion to Orlando Transportation Supervisor.

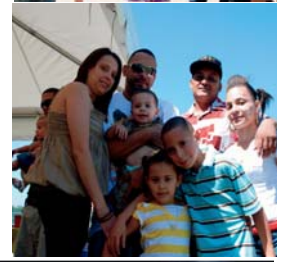

He comes to Burris with many years of experience in the transportation field. Tim began his work with Burris as a dispatcher and has been the interim Supervisor since November 2010. He has been a tremendous asset to our department and we are looking forward to the experience and professionalism he brings to our team in this leadership role.

An Eggcellent Event

Face painting, bounce houses, music and an Easter egg hunt were just a few of the activities Orlando's team members enjoyed with their families on Saturday, April 2nd.

This is the second year we've hosted this wonderful family fun-filled event. We would like to thank our leadership team for lending a hand to make sure this event was successful and enjoyed by all.

strate great character and are great representatives of "I Am Burris." They both share a dedication to service and aren't afraid to go the extra mile.

Anthony recently celebrated 25 years with Burriss Logistics and was selected as the Federalburg's 4th Quarter Star. Regardless of what job he has been assigned, he has always put forth a great effort in maintaining Burriss standards. He currently works in Inventory Control. His dedication to service as well as high quality of work made him the perfect choice for the Star of the Year.

Charles has been with Burriss since 2005. He has been a great asset to the Company and a great Representative of Burriss. Charles was the Driver Star of the 2nd Quarter for 2010. He makes sure to keep his paperwork in order and always keeps safety at the forefront of his job. Charles has made great strides since he began at Burriss. He has made both local and long haul deliveries and currently delivers a weekly run to our Florida-based customers.

Congratulations again to both men for their outstanding performance for 2010.

CONGRATULATIONS TO STEVE WARNER

for being selected as Federalburg's Driver of

the 4th Quarter 2010. Steve's attention to detail and his dedication to service and safety are key components to his nomination. Transportation Director Leslie Pyfer summed it up when she said "Steve is one of our top drivers, you can't ask any more when it comes to on-time deliveries and being on top of the game." Steve has been a loyal driver for over 14 years. Congratulations Steve.

Make It Happen

Congratulations to Kathy Jones for being Federalsburg's Star of the 3rd Quarter 2010. Kathy oversees the needs of our 3rd Party Logistic Customers. While working in the office, Kathy has worn many hats and performed many functions in her over 24+ year career. Kathy is an avid Country Music enthusiast and Baltimore Orioles fan. She frequently attends concerts and games with her son David. We thank Kathy for her dedication to "Customer, Quality, Service" and congratulate her on her nomination for 3rd Quarter Star for 2010.

SERVICE AWARDS

Congratulations to Kathy Jones (In-bound Out-bound Clerk) for celebrating 25 years of service.

Congratulations to Vanessa Adams-Cannon (HR/Safety) on celebrating 10 years.

VP of Distribution congratulates Orrie "Terry" Cannon on 15 years of service.

FEDERALSBURG'S CORNER

Federalsburg held its 7th annual "SOUPER BOWL" Party. Team Members come out for fun and food to the Federalsburg Annual Bowling Party. Team members are encouraged to bring in cans of soup or other non-perishable food items to be donated to the local food pantry. It's a great family fun-filled event and helps out a great cause. This year the event was able to contribute over 300 canned goods.

Please join us in wishing **Rory Dillard** the best of luck! Rory started with Burriss in our Jacksonville facility in 2003. Over the past three years we've been honored to have Rory on our team in IT as one of our QC Analysts. Rory has been instrumental in changes made to accommodate new functionality requested by one of our customers (Smithfield). While you may not have had daily contact with Rory, he has been behind the scenes assisting in program testing as well as daily support.

During the past year, Rory has been busy preparing for a change in his life and career. Rory has joined the Army as a BioMedical Equipment Technician and shipped off to basic training on May 16, 2011. Rory's wife, Tracy, and two sons, Sebastien and Morgan, will join him at a later date. Although we're already missing his presence and expertise here on the IT team, we know that it does not compare to what his family is handling right now. Please keep Rory and his family in your thoughts

and prayers as he takes care of us by serving our country!

Vannak Chum

Replenisher, January 1, 2008

Congratulations to Vannak Chum. He has been with Burris Logistics for 3 years and 4 months. He is currently working as a replenisher in shipping. Vannak works

hard, and is well respected by his fellow team members. His can do attitude really shines, along with his flexibility and dependability. We would like to take the time to recognize Vannak, and thank him for his unrelenting dependability.

Travinsky Bradshaw

Selector, September 28, 2010

Well done Travinsky Bradshaw!

Travinsky has been with Burris Logistics for 6 months as a Selector. He's one of few

selectors enthusiastic to pick

over 50lbs cases of beef daily.

His attitude and willing to achieve is noticed by all. He is always coaching new employees on the cross contamination policy. Travinsky is a great motivator and team leader. He is always looking for ways to make the selector process better. Thanks for your outstanding leadership and availability to achieve.

“TMOM” MARCH

Tommy Browner

Selector, October 26, 2010

Hats off to Tommy Browner for making it happen.

Tommy has been with Burris Logistics as a Selector for 7 months. Although he has been with Burris for a short period of time, his positive attitude and hard work has made him one of our top performers. Actually, his positive attitude is infectious! He leads his selector team with high energy and top case counts everyday. He always goes above and beyond what is expected of him. Congratulations and thanks for being a great example of “Employee of the Month,”

within a short period of month, and for your dedication and hard work.

CONGRATULATIONS TEAM MEMBERS FOR YOUR “I AM BURRIS” AWARD.

YOU'RE A GREAT EXAMPLE OF WHAT “I AM BURRIS” STANDS FOR.

Ralph Fulton

Replenisher, June 1, 2003

Congratulations to Ralph Fulton. Ralph has been with Burris

Logistics for almost 8 years. He is currently working as a replenisher.

He's one of the few freezer replenishers that really loves being in the cold. Ralph never complains, consistently performs above company standards, and always brings slotting issues to forefront. He's always early for work, and he is even willing to come in on his day off. His team members rely on his work experiences for guidance. Thanks Ralph, we are fortunate to have you as part of our team!

**“IAB” February
Antonio Early
Loader, 5/3/2006**

Good for you Antonio Early! Antonio has been with Burris Logistics for 5 years. Although he was hired as a loader, his excellent origination

skills put him into a position to train his fellow team members. He's always helping to create a more organized work space, and he is well respected from all aspects of the company. Antonio never complains and he does whatever is asked of him by his supervisors and team members. He is always willing to go the extra mile. Congrats, and thanks for going above that extra mile.

**“IAB” March
Dallas Brown
Maintenance Apprentice, June 7, 2009**

Congratulations to Dallas Brown. Dallas is a maintenance apprentice, and has been with Burris Logistics for a little under 2 years. There is a saying in his department when things get tough, “You have to want it!” Dallas

Brown definitely “Wants it!” His positive attitude toward his team members and work allows him to handle a wide variety of issues without missing a beat. Dallas does whatever it takes to make it happen. Dallas is absolutely the right person on the bus and in the right seat. Thank you Dallas for all you do!

IT IS WITH GREAT SADNESS THAT BURRIS OF FEDERALSBURG SAYS FAREWELL TO OUR GREAT FRIEND AND CO-WORKER EARL COLE.

Earl passed away suddenly at his home on March 24, 2011. Earl had worked at both Federalsburg and Harrington for over 15 years. Earl worked in the Inventory Control Department. You could always count on Earl to make sure that his work was on-time, complete and accurate.

He developed many friendships while at Burris and served on the Safety Committee and led the Investigation Team. Earl loved to attend Burris functions, whether it was the Company Picnic, the Bowling Party, the Christmas Party or one of the numerous office luncheons, Earl was always

there to enjoy the fellowship of his co-workers.

Earl was active in his church and had dedicated his life over to serving the Lord. He participated in many mission trips and was an active Sunday School teacher. He was a Dallas Cowboy fan and enjoyed spending time with family and friends. Earl leaves behind his wife Peggy Sue Cole and children Sheena and Michael Cole and step-sons Eric and Andrew.

Earl will surely be missed by all of his friends, co-workers and vendors that Earl had come to know. Heartfelt condolences to Earl's son Michael, who joined the Federalsburg team 2 years ago.

Atlanta Driver's Banquet

On Saturday, March 19th the Atlanta Burris facility held their annual Driver's Banquet at the Green Manor. The dinner was served banquet style. Danny Downs, Atlanta Burris GM, presented the opening, Frank Nardi, Burris Regional VP, presented the remarks prior to dinner, and during dinner awards were given to the Driver of the Year and all runners-up. We would like to take this time to recognize all Drivers and thank them for their continued dedication and excellent service to our customers.

Michael Culver has been a driver with Burris Logistics for 1 year and 7 months. His excellent driving record and service put him in the running for the "Driver of the Year."

Congratulation Michael Culver, and thanks for your strong work ethic.

Runner-Up Driver of the year Michael Culver (L) with Onnie Robinson, Logistics Manager (R).

Orlando's Annual Driver Award Banquet

February 26, 2011 was a day of celebration in Orlando. It was an evening to recognize our drivers who continuously "Make It Happen" and "Get It Right." This year's event was held at the DoubleTree Hotel for each of our drivers and their guest.

Our ceremony began with an opening speech by Transportation Manager Charles Hollowell, a warm welcome from Regional VP Frank Nardi, and an introduction by General Manager Stacey Hayes. During the ceremony we recognized and welcomed our new drivers to the Burriss family. We also honored our safe, accident-free drivers. Of course, our DOT Compliance Drivers of the Month are never forgotten as well as the drivers who have achieved half million and million mile milestones. The ½ million mile achievers this year were Alejandro Rodriguez, Cesar Sanguinetti, and Jesus Yero-Pampillo. Way to go! A special congrats goes out to our One Million Mile achiever, Maurice Haynes!

The evening could not be complete without announcing our Driver of the Year and our Driver of the Year Runner-Up. Once again, we would like to congratulate Carlos Gomez, our Runner-Up and Luis Silva our Driver of the Year, on their hard work and dedication to Burriss Logistics.

Great Job!

We love to recognize our team members who "MAKE IT HAPPEN." Kudos to all who come to work every day with the "I AM BURRIS" attitude and continuously "GET IT RIGHT."
